Then fare thee well, my gentle one, I ask no

its a blies; Nor will I weep lest I should hurt so delicate a flower;
The tears that fell from such a height would be a thunder-shower.

Farewell! and pray don't throw yourself in a basin or a tub, For that would be a sore disgrace to all the Six Feet Club. Par way extend to six feet three the life that's but a span? ROBERT BELL.

BRUIN "STARRING."

A frightful scene occurred lately at the theater at Czerny, in Bohemia, during the performance of a melo-drama called the "Bear of the Mountain." the principal actor of which was a Bruin of such derful docility and dramatic talent that for a long succession of nights he attracted overflowing audiences. On a coating of pitch which the interior of this occasion, however, something had put this "star" out of humor, and he was observed to be wanting in those brilliant displays of the histronic which had nath, with the slow and solemn step prelighted on the stage at one bound, like | tied from the vats. difficulty he could be prevailed upon to festivals of St. Nicholas and St. George. foreign counsuls as the legitimate suc-

nce gradually rose in their seats, light. In a moment, however, the joyous spectacle was changed into a scene hour.

the peasant girl, who had been coquet-ing in the dance in the distance with a drinking from respectable society."

In effect, it is moderately exhibarating. group of ballet dancers, advanced in the performance of his part to waltz with Ludeed, if it was not comparatively innocbeen so rapid, that though his darger ty consumed would effect sad havoc on the qui vive, measuring him from tip Young America. however, is not probawas soon whirled off his feet, and in another mement was at the top of a stage of the precipice, and tossed into the surges below. This astonishment now, however, turned into consternation. The bear of the purpose, and require too widely-distended a stomach for loco-motion after the purpose, and serious difficulties to end to serious diffi loose around his neck, and roaring fierce-

bear must take effect on the audience; but the bear, though left alone, exhibittraining had been the platoon exercise, and suddenly knocking down a corporal of the guard with one paw, and seizing sket with the other, he threw his cross belt over his back, and proceeded deliberately to prime and load. The terror of the audience was now extreme, and shrieks were heard from all sides, as he pointed the muzzle toward the

The guard, which had regarded it is a ture and the weapons of civilization.—
But the bear, already long accustomed to military manœuvres; and exhibited lately at St. Petersburg, in the pantomine of the battle of Pultowa, palpably

followed this unequivocal victor; but drank in the open air, a band of music ties of his mind. He has recently placed the orchestra, half terrified out of their enlivens the scene, though whether the his sons under the tuition of an English the orchesers, half terrified out of their beer is swallowed for the music or the gentleman engaged for the purpose, and souqueror, and fergot this part of their understand

duty. The bear now advanced to the front of the stage, growled fiercely at the kettle drummer, and finding that his signal was not obeyed, he made one mighty bound at the drum itself, and rolled into the acceptance. to the orceestra. All performers now shattered into fragments, and the sons of

trumbets and trombones, reared for help.

The audience, who saw that he had creams, roars and oaths, filled all parts ficent life: of the theater; but whether the bear thought that the operation was too tardy or recolected some of the old scenes of towns taken by storm, he he had no soonconfusion worse confounded. The rapidity of the flight equalled the terror of the moment, and each was electric; the bear stamping about the confusion worse confounded. The rapidity of the flight equalled the terror of the moment, and each was electric; the during the radius of plague as represented can be returned. Tis true, the moralists have said, that Love gallantly into the pit. Here all was bear stamping, tounding, and roaring with all the air of a conqueror; and it was not until the theater was completely cleared, and his roar had entirely subsided, that the city guard gathered from the stage, made a temporary lodgment in one of the lobbies. It was soon discovered that the bear had fallen asleep

Czerny for his valor, at this crisis of affairs boldly ventured forward, and ordered his platoon to fire a volley at the be effected, the keepers of the menagerie from which the animal had been borrowed, came in with ropes and nets, and were suffered to supersede the guard. The bear very quietly followed his keepers; and the authorities of the city, or the plea that though bears might be dangerous actors, Bohemian actors would make very good bears, published a proclamation against Bruin's future appearance. - Foreign Papers.

LAGER BIER. The frequency with which placards bearing this inscription, meet the eye; the regency of its introduction into this words themselves, may perhaps render a quired the services at home of confiden-brief article upon this topic not uninterbrief article upon this topic not uninteresting. Lager-bier is a malted liquor orginally made in Bavaria, in essential Gharbiah district. After two years he properties identical with ordinary ale, which it closelyr esembles in appearance, though differing in taste; of much less specific gravity; weaker and retaining its foam a short time after being drawn. Its taste is sub-acid pungent, and leaves in the mouth a peculiar flavor caused by

the barrels receive before being filled. The difference between the mode of brewing lager bier and ordinary ale is indicated by the etymology of the name lapreviously overwhelmed him with ap- ger-meaning rest-remaining in store; plause. In the third act, instead of the former requiring to rest in a cool oming down the mountain by a winding vault from four to six months before it oribed in the prompter's book, he al. be used immediately after being emp-

There, it is of two kinds, one of which reenjoyment in the dance that the whole and delicate a palate, that when assembled in their beer houses they wait imthe sound of a powerful orchestra, with ty, for a fresh one to be tapped. It is their acclamations of wonder and de- said that in well frequented houses of this

of terror. A piercing shriek was heard through all the tumult, and the lovely Bier Brauer," we learn "that the atachdancer was hurled round with the vo- ment of the Bavarians to the beer beylicity of a swift wheel, and discharged erage is such—a beverage descended from from her partner's arms headforemost their remotest ancestry-that they re- released them from the pressure of scinto the pit, where, however, she was gard the use of ardent spirits, even to vere taxation, and removed, as far as caught by the audience without damage. moderation, as so immoral a custom, as The next moment the stage lover of almost to disqualify habituates of liquor-

the bear. The former catastrophe had ulous in its effects, the enormous quantiwas fully perceived by the audience, amorg the drinkers-it being an unusuwhose cries were quite loud enough to al occurrence for an individual to drink deter him, it was evidently unperceived a gallon daily and even more. That it creasing productions, and in the existby the lover. The bear was instantly will ever become a favorite beverage with ence of a spirit of enterprise unknown beto toe, and, flinging his legs around him, ble, the liking for it not being natural, began to waltz with such extraordinary but acquired. Americans can readily the Pacha's income by the large annual Sash Glass Doors Putty a large and varied as ndings, that the astonished lover obtain a more delicious draught, and if sum of \$2,500,000. Yet, we believe. terwards. Its introduction has also created the necessity of a new article of glass ware, for a fastidious drinker would be as reluctant to imbibe his favorite rich themselves by means of speculation to the specific production of the specific production of the specific productions and the specific production of the specific productions and the specific production of the specific productions are specific productions. The found in office a cabal of the specific production and production has also created the necessity of a new article of men hostile to all departure from a system of the specific productions and productions to the specific production of the specific production of the specific production has also created the necessity of a new article of men hostile to all departure from a system of the specific production has also created the necessity of a new article of men hostile to all departure from a system of the specific production and production has also created the necessity of a new article of men hostile to all departure from a system of the specific production of the specific production and production has also created the necessity of a new article of men hostile to all departure from a system of the specific production and production and production are specific productin was seen dancing forward, evidently terwards. Its introduction has also ere. counter. ABBAS PASHA.

The arrival of the Atlantic brings u ran for their lives; desks were tumbled intelligence of the sudden death, on the down, fiddles crushed, double basses 13th of July, at the age of forty-one Appollo hiding themselves under their years, of ABBAS PASHA, the wise and en benches, scrambling over the rails, or ergetic viceroy of Egypt, whose measures making battle with the fragments of their have done so much, during the last few years, to advance the prosperity of that come so much nearer by the route of the country. We take from the "Men of orchestra now tried to make their es- the Times," published by REDFIELD, in cape in every direction. Shricks and 1852, the following record of his bene-

Abbas Pasha, viceroy of Egypt, only son of Soursoun Pasha, and grandson of the late Mehemet Ali, was born at Jeder prostrated the fiddlers, than he sprang callantly into the nit. Here all was 1229, (A. D. 1813.) At the age of enth year; the child was brought up and acquired the rudiments of an ordinary education in the harem, of his mother when, in consideration of the character and service of his father, he was made a Pasha of two tails, by order of the Sultan Mahmoud. At eight years of age in the lap of victory, and in fact was snoring at full length on one of the crimson benches in the pit. The captain of the guard, distinguished in the city of in the Turkish, Persian, and Arabic languages, (with all of which he is critically familiar,) and also in mathematics and sleeping monster; but before this could military engineering. At the age of fifteen he was removed from collegiate studies and appointed by Mehemet Ali to the confidential office of Provincial Inspector, which post he usefully occupied for a period of three years.

At this time the expedition had been sent aganist Syria, and Abbas was named to the command of the cavalry division of the Egyptian army, under Ahmed Pacha Manickli. His service and activity were there honorably mentioned on three or four occasions in the published gazettes. The fatigues of incessant ex posure and unhealthy bivouacs brought on an attack of intermittent fever, which necessitated his return to Alexandria .-On his arrival, Mehemet Ali refused to city, and the cabalistic character of the permit him to join the army, as he rewas named inspector-general of the pro-vinces; and during the year in which the great fire occurred at Cairo he succeeded to the important and responsible office of khahir, or chief minister and president of the council at Cairo. During his occupation of these posts, for a period of more than eight years, he acquired general respect, both with the natives

and European consuls. On the accession of his uncle, Ibrahim pacha, Abbas lost favor in consequence of his vindication of certain of the former requiring to rest in a cool vault from four to six months before it becomes drinkable, while the latter can be used immediately after being emptied from the vats.

PRIZE MEDAL

Curled Hair Mattresses and Bedding. PATENTED IN THE UNITED STATES, ENGLAND AND FRANCE UNITED STATES, ENGLAND AND FRANCE.

OUR Mattresses and curled hair having taken Diplomas and Medais by competition in the principal States in the Union and also having been awarded the Prize Medal at the World's Fair in London as the very best article manufactured, are confidently offered to the community as a great desideratim for pure sweet sleep.

The piecess by which our hair is manufactured entirely precludes the possibility of moth or other insect annoyances engendering therein as proved by the severest tests of analization and by testimonials from the first chemists of the age, from which we extract as follows:

"Experiment has demonstrated that the puriying agent made use of in manufacturing your patent curled hair is especially destructive of animal life, that thas the faculty of bleaching and cleaning the fibre, and that it is the most powerful disinfecting body at present known to science.

H. LETHEBY, M. D. Professor of Chmistry and Tolcology in the Medical Gollege of the London Hospital.

I cheerfully state that the article submitted to your process must be pure and sweet and will be found of great value and from proof exhibited to me I am confident that the process employed exme I am confident that the presention.

Fullness or Blood to the Heart, Acidity of the
Stomach, Nausea, Heart Burn, Disgust for Food,
Pullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the plt of the
Stomach, Swimming of the Head, Hurried and
Difficult Breathing, Fluttering at the Heart, Choking or Sufficiating Sensation when in a lying
posture, Dimness of Vision, Dots or Webs before
the Sight, Fever and Dull pain in the Head, Deficiency of Prespiration, Yellowness of the Skin
and Eyes, Pain in the Side, Back, Chest, Limbs,
&cc., Sudden Flushes of Heat, Burning in the
Flesh, Constant Imaginings of Eyil, and Great
Depression of Spirits, can be effectually cured by
using.

Dr. HOOHRRU'S CELEBRATED GETIBAR DILLERS.

DREPARED BY DR. C. M. JACKSON, at the German Medicine Store, 120 Arch St., Philadelphia Their power over the above diseases is not excelled, if equalled, by any other preparation in the U. States as the cures attest, in many cases after skillful physicians had failed.

These Bitter, are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most scarching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

Dr. Hoofland's Celebrated German Bitters.

READ AND BE CONVINCED. READ AND BE CONVINCED.

R. B. PHREISS, Marietta, Obio, Feb. 19, 1831, said
"Your Bitters are highly prized by these who have
used them. In a case of Liver complaint, of long
standing, which had resisted the skill of severalPhysicians, was entirely cured by the use of five
bottles," C. L. DRAKE, Freedom, Portage co., O.,
April 23, 1852, said: "The German Bitters you sent
me last have not yet come to band. I have been out
of the article for some time, to the great detriment
of invalids. It is a medicine much thought of and
sought after in this community." of invalids, it is a medicine much thought of and sought after in this community."

B.M. Hoychinaso, M. M., Bedford, Cuyahoga co.,
O. August 26, 1852, said: "The Bitters you shipped me in May last are all gone——I think it a good medicine, and I am recommending it to my patients and friends, (which I do for no other patent medicine.)—You will please forward a large supply."

patients and friends, (which I do for no other patent medicine.)—You will please forward a large supply."

8. France. Wooster, O., Nov. 30, 1832, said: "Ihave used some three or four bottles of Hoofinand's German Bitters for Dyspepsia, and derived great bene fit from their use. I believe them to be good for all diseases for which they, are recommended."

Wm. Oza, Wooster, O., October 2, 1852, said: —"You ask me my opinion of the German Bitters. I have used them for Dyspepsia and Indigestion, and take pleasure in stating that I think they are the very best remedy extantior the above complaints—they are decidedly in advance of all the proprietary medicines of the day."

"Mr. Oza is a distinguished lawyer of Wooster. These Bitters are entirely vegetable. They never prostrate the system, but invigorate it.

For Saleby R. H. CHUBB & CO., Ashland, and by Druggists and dealers in medicines everywhere, Ashland Feb. 1,—n37 ly.

Office Franklin & Warren R.R. Co Office Franklin & Warren R. R. Co. Franklin, Portage co., Ohio, Sept. 26, 1853.

AFFLICTED READ.

Philadelphia Medical House—Established 24 years ago, by Dr. KINKELIN, corner of Third and Union streets, between Spruce Pine. proved to the most skeptical, beyond a shadow of a doubt, that it is

The only Reliable Medicine Ever Discovered theing purely all vegetable.) for the permanent cure of the above discases. The most skeptical have become its most sanguine votaries, and pronounced the Liver Balsam to be the Only Reliable Harbinger of Health to the Application, Everywhere.

Testimonials come up from every track it has made, swollen with expressions of gratitude, for the relief received by its use. And in submitting Presservation, to prove that nine-tenths of the Preservation,) to prove that niso-tenths of the causes of nervous debility, local and constitutional weakness, mental and physical suffering, are traceable to certain habits, forming the most secret yet deadly and fatal springe of domestic Lisery and premature mortality.

Take Particular Notice.—There is an evil ha-Take Particular Notice.—There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood, and which, if not reformed is due time, it not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insiduous and devastating affections. Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered, feel strange and unaccountable feelings, and vague fears in the mind.

The unfortunate thus affected becomes feeble, is unable to labor with accustomed vigor,

ble, is unable to labor with accustomed vigor, or to apply his mind to study; his step is tar-dy and weak, he is dull, irresolute, and esguges in his sport with less energy than usual.

If he emancipate himself before the prachas done its worst, and enter matrimony, his marriage is unfruitful, and his sense tels him that this is caused by his follies early. These are con

this is caused by his follies early. These are considerations which should swaken the attention of those similarly situated.

Marriage requires the fulfillment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil which covers the origin of domestic wretchedness be raised, and its true source in every interest disclosed in how many could it. he ness be raised, and its true source in every instance disclosed—in how many could it be traced to physical disqualifications and their attendant disappointments! Apply then while it is yet time, in order to have your unstrung and relaxed organization rebraced, from making your case known to one who, from education and respectability, can certainly be revivised ind strengthened.

Remember that he who places himself under Dr. Kinelin's treatment, may religiously confided in his honor as a gentleman, and rely upon the assurance, that the secrets of Dr. K.'s patients will never be disclosed.

Young man—let no false modesty deter you from making your case known to one who, from education and respectibility, cas certain ly befriend you.

Too many think they will concept the averation their own hearts, and cure themselves.

in their own hearts, and cure thomselves Alast how often is this a fetal delusion, and how many a promising young man, who migh have been an ornament to society, has father from the earth.
Strictures of the urethra are rapidly removed by the application of a new therapeutical agent, used only by Dr. K. Weakness and Constitutional debility promptly cured, and fully vigor restored.

Country Invalida can have, by stating their case explicitly, together with all their symptoms, per letter enclosing a remittance) Dr. K.'s medicine, appropriated accordingly.

Forwarded to any part of the United States, and cacked secure from DAMAGE or CURIOS:

Youth and Manhood—a vigorous Life or a prometure Douth—Kinkelin on Sell Preservation—Only 25 cts. It is a work eminently required, as a mean of reforming the vices of the age in which tive. Also,
